

Receive Pet care from the **convenience** of your home!

Great news Nova family, we now offer **pet care services through Televet!**

With our Televet telemedicine app, you can easily consult with us- **your pet's trusted medical team**- when circumstances make bringing your pet in difficult.

How amazing would it be to **message the team? Or to video chat with your vet?**

During these challenging times TeleVet is **convenient and easy to use** right from your home.

Get started now!

- 🐾 **Download the free Televet app** on the iTunes or Google Play store.
- 🐾 **Create a personal profile** with all your information.
- 🐾 Create a profile for your pet, **add fur-baby pictures!**
- 🐾 **Choose Nova Animal Hospital** as your veterinarian.

When you need us-

- 🐾 **Request a consultation** with details of your pet's issue.
- 🐾 Enter payment information- **no charges are incurred until after** your consultation is completed.
- 🐾 **Turn on your push notifications** to receive updates and messages regarding your consultation.
- 🐾 You will **receive a notification** of when your consult will begin.
- 🐾 Once the consultation begins, **send pictures and video.**
- 🐾 Communicate with your pet's healthcare team of nurses and doctors to **get the help your pet needs!**

We know that this will be a valuable tool for all of us to get your pet the care it needs!

However, not all symptoms are appropriate for telemedicine.

In some cases, a physical exam will be needed.

Thank you,
Your friends at Nova Animal Hospital!
